Top to bottom: Westmead Private Hospital and internal shot

It's been nearly 6 months since I moved to new premises and both offices are proving popular with patients. With a smart modern look at both locations and ample parking available, the whole patient experience has been enhanced significantly...and everyone seems to be finding their way!

NEW ROOMS PROVING A HIT WITH PATIENTS

Westmead Private Specialist Centre

Co-located with Westmead Private Hospital, a major facility with all possible Medical and Surgical back-up.

Check out the new video on my website...
“The Westmead Private Experience”.
It's designed to educate and familiarise patients with what to expect when they come in for their Hip or Knee replacement operation.
All my previous GP information flyers are also available on my website.
